## green to the Letter

eco art + craft supplies

### graphite pencils

- monkey pencils
- shape pencils
- triangular pencils
- clipper junior pencils
- eco-friendly #2 pencils
- smencils
- holiday smencils

Offering families eco-friendly art supplies that are healthy for children and the environment, like crayons made from soy - not petroleum; sketchbooks and journals made from 100% post-consumer recycled paper - not virgin trees; and pencils made from sustainably harvested wood and recycled newspapers - not dying forests. We know the little artist in your life will enjoy these quality and creative products as much as we do.
